Ein australischer Erstling

The digital copy of this text was taken from the holdings of the Basel Mission Archives. The Basel Mission is now integrated with Mission-21. We are grateful for the contributions by the BMA and the permission to post these texts on the Sophie Digital Library.

The BMA provides access to a large selection of digitized visual and cartographic material, as well as comprehensive catalogue data from the Basel Mission Archives: some 30,000 images, 6,700 maps, sketches and plans, and detailed references to written records.
